Inthasone Souphaksone
Pearson BTEC Level 5 HND Diploma in Business

Studying the Higher National Diploma at SSTC Institute was a pleasurable experience. Every session was a combination of a good and enjoyable atmosphere and practical learning, which allowed most of the students in my BTEC Level 5 class to accomplish the benchmark of the work that they possibly could. The teaching around the subject was really comprehensive for students, with adequate interaction between the class and the teacher, allowing all our questions and queries to be answered when needed.
